

# REMEMBER CHRISTMAS

For SATB Voices and Piano

Lyrics by Robert Lima  
Music by Bruce Trinkley

## REMEMBER CHRISTMAS

*Now that lights and trees of Christmas have been taken down and stored  
for another year of waiting till its spirit is restored  
and the holidays are over and the warmth that we once knew  
have retreated with the season, then it's time to start anew.*

*Remember Christmas in the year that lies ahead.  
Recall its love and mistletoe, the gifts, the tree, the stories read.  
And if you remember through the coming year,  
all the Christmas blessings will be ever near.*

*Remember Christmas as the lonely days grow cold.  
Recall you shared with those who cared the love and joy from days of old.*

*Remember Christmas when you're very far away.  
Recall the home as far you roam, the hearth that glowed just yesterday.*
